ABOUT SLEEPER MEDIA

We produce magazines, websites and events that celebrate the dynamic world of hospitality

WE'RE SLEEPER MEDIA

Launched in 1999, Sleeper Media is the leading multimedia company serving the hospitality design industry.

Each magazine is supported by a dedicated website, recently redesigned to reflect the ethos and aesthetic of its affiliated print title. Our online platforms feature news, interviews and in-depth trend reports as well as access to digital issues.

We also organise global events, ranging from intimate seminars and suppers to effective networking forums and glittering awards ceremonies. All are expertly curated to engage our community.

In print, online or face-to-face, everything we do is driven by our passion for the industry we serve.

INSIDE SUPPER

Unrivalled coverage of the latest projects, products, practices and people shaping the industry

SERVICE

Our Service section profiles leading hotel chefs, bartenders and F&B specialists around the world. Recent interviewees include the likes of Nobu Matsuhisa, Francis Mallmann and Salvatore Calabrese.

STARTERS

Whether it's a refurbishment or new concept, Starters feature bite-size reviews of recently opened restaurants, bars, clubs and lounges within hotels.

MAIN COURSES

The Main Courses section is where we run full reviews of new hotel F&B venues. Our globetrotting team of contributors are constantly on the lookout for the latest and most interesting openings. These are visited in person and reviewed with insightful editorial alongside high-quality colour photography of the interiors and F&B offering.

FEATURES

Our longform features dive into the latest food and drink trends by way of in-depth articles covering a broad range of topics, from sustainability and groundbreaking hospitality concepts to alternative forms and the industry's future.

DINING

Lifting the lid on hotel gastronomy, our Dining section explores the very latest developments in this fast-moving sector. We discuss the thinking behind new culinary concepts and trends, from fine-dining restaurants and all-day brasseries to afternoon tea and room service.

SIPPING

Sipping is the place to go for engaging and informative articles about the hotel drinks sector. This section considers the issues that matter to those in charge of beverage programmes, not least how to ensure their carefully curated wine lists and cocktail menus appeal to connoisseurs and casual drinkers alike.

PETITS FOURS

Our Petits Fours pages offer regular coverage to companies who supply products or provide services to the food and drink sector. With a focus on real-life hotel applications, we cover new product launches and case studies, creating a directory that is regularly referenced by specifiers.

SUPPER ONLINE

Supper’s new website delivers news, interviews and trend reports in an easy-to-digest format

WEBSITE

Supper is supported by its own website, recently redesigned to reflect the ethos and aesthetic of the print title. The website is not just an online replica of the magazine, instead it delivers news content of a more immediate nature, as well as interviews and in-depth trend reports.

This is delivered in a visually appealing, easy-to-digest format with the addition of renderings, photography and video content.

DIGITAL EDITION

We are committed to reducing our environmental impact and are therefore distributing more copies of the magazine digitally than ever before. Supper is available as a digital edition accessed directly from our website.

Benefits of this include: immediate delivery of content to readers wherever they are in the world; the ability to search the magazine for relevant information; bookmarking of important articles; and access to an online archive of previous issues.

SOCIAL MEDIA

Supper has a social media presence on Twitter and Instagram (@suppermag). News stories from www.suppermag.com are promoted to our followers with relevant images and links.

Our editorial staff also post about their travels, hotel stays and events they attend.
